

We are Sri Lanka's premier private sector commercial bank. Our visionary journey has taken us beyond the realms of business as we have made a conscious effort to go where no bank has dared to go; from downtrodden villages long-forgotten, to the world across the shores. The driving force behind this epoch-making journey is our strong team of achievers, affectionately known as the Hatna Family. As we continue to make history and move ahead, we invite dynamic and ambitious individuals to join us in our trailblazing banking saga.

We are looking for bright minds to help us create a world of happy experiences.

CORE BANKING DEVELOPER / SENIOR SOFTWARE DEVELOPER

Job Role

The Core Banking Developer will take responsibility for designing, developing and maintaining the Bank's Core Banking System. The ideal candidate for this role would pay close attention to minute detail, preferably with experience as a Finacle Core Banking Developer.

Duties and Responsibilities

- Speedy coding to resolve the allocated tasks.
- Maintain coding quality through simplicity, coverage and finding a balance between pragmatic and generic solutions.
- Proactive problem solving and problem identification.
- Regular metrics and log checking
- Managing stakeholders and providing prompt responses to the required stakeholders.
- Provide suggestions, implementations and reasonable technical additions or upgrades to the current tech stack.
- Continuous deep learning on diverse technologies, techniques, and topics

Academic/Professional Qualifications

- A Degree in Information Technology or any other equivalent professional qualification in IT.

Work Experience

- Minimum 1 year development work experience in Finacle 10x version or 3 years experience as a JAVA Developer

Core Competencies

- Strong interpersonal skills and communication skills (Both verbal and written)
- Relationship and stakeholder management
- Continuous learning and following best practises
- Committed team player with leadership skills

Interested candidates are invited to apply for the position
