# IT Security & Compliance Officer

## JOIN OUR TEAM

The Sri Lanka Institute of Information Technology (SLIIT) is a pioneer in the higher education sector of Sri Lanka and offers undergraduate and postgraduate degrees in a wide range of disciplines. It is committed to provide the best student experience through a dedicated group of academic and non-academic staff. The main campus located in Malabe has excellent academic and recreational facilities.

We are looking for a detail-oriented IT Security and Compliance Officer to be overall responsible for driving a proactive Information Security Management programme encompassing critical information assets of the organization.

### Key Duties and Responsibilities:

- Oversee/ configure security systems/ solutions, analyze security requirements and recommend improvements.
- Perform risk assessments, audits, draft security policies, procedures, disaster recovery plans and ensure proper implementation.
- Develop and maintain roles, authorization matrixes and guidelines to protect against unauthorized access, modifications and destruction.
- Drive a comprehensive vulnerability management process, covering periodic vulnerability scanning, penetration testing and implement remediation actions against identified threats.
- Setup appropriate patch management systems for regular and automated updates.
- Monitor systems, applications, networks for suspicious behavior and develop an incident response framework.
- Create awareness among staff about the security best practices and provide technical advice.

### Minimum Requirements:

- A Bachelor's degree and a Masters degree or a recognized professional qualification in Computer Science, Information Technology, Cybersecurity or a related field from a recognized university/ institution.
- Industry security certifications such as CISSP, CISA, etc. will be a definite advantage.
- Minimum of 8 years of work experience in a relevant field including at least 4 years of managerial experience.
- A sound understanding and knowledge of computer systems, networks, security systems, and cloud platforms.
- Good interpersonal, communication and training skills
- Strong analytical, critical thinking and problem-solving skills.

SLIIT offers a competitive salary and other benefits commensurate with qualifications and experience.
