# HEAD OF IT

Lanka Hospitals and Laboratory seeks a dynamic professional to assume the role of Head of IT. Reporting to Group Chief Information Officer, the incumbent will play a pivotal role in ensuring seamless ICT operations to deliver highly effective services to both internal and external stakeholders.

## Key Responsibilities

- Operationally responsible for handling and running all LHC and LHD IT systems and applications. (ex: HIS, LIS etc.)
- Management of IT and hardware infrastructure at LHD.
- Support the GCIO in strategic planning, budgeting, and procurement processes.
- Responsible for Managing the assigned teams and tasks.
- Maintain the smooth ICT functioning of the LHD to provide highly effective service to internal and external stakeholders.
- Coordinate with respective HOD's and departments in getting their IT requirements fulfilled.
- Perform other functions that may be assigned from time to time by the Top Management on operational and strategic changes / requirements that need to be met.

## Ideal Candidate Profile

- Possess an MBA/MSc + degree or equivalent professional qualification in ICT from a reputed university or institute.
- Minimum 15 years of experience. At least 5 years of experience at Managerial level, demonstrating strong strategy and execution skills.
- Proven track record in ICT Administration.
- Knowledge of networking, software development & hardware development.
- A team player with excellent communication and negotiation skills.
- Outstanding leadership qualities suited for a dynamic environment.

Should you measure up to the expectations, please submit your detailed resume along with contact details of two referees (not related) within 7 days to [careers@lankahospitals.com](mailto:careers@lankahospitals.com). Please indicate the position you are applying for in the subject line.
