

VACANCY

PROJECT PLANNER

JOB ROLE ►

As a Project Planner, you will be responsible for developing comprehensive project plans that ensure timely delivery, efficient resource allocation, and alignment with the overall business strategy. You will work closely with your team, clients, and cross-functional teams to develop realistic schedules, monitor progress, and adjust plans as necessary to ensure the success of our projects.

QUALIFICATIONS & EXPERIENCE ►

- Bachelor's degree in Project Management, Engineering, or a related field.
- Minimum 5 years of experience in Project Planning in a similar project management role.
- Proficiency in project management software such as MS Project Management, Jira & Confluence.
- Excellent organizational skills with a keen eye for detail.
- Ability to manage multiple projects simultaneously and adjust plans based on evolving requirements.
- Strong communication and interpersonal skills to liaise effectively with stakeholders at all levels.
- Analytical and problem-solving skills to anticipate issues and resolve them quickly.
- Certification in project management software such as PMP is a plus.

Eligible candidates may email their updated resume to careers@abansgroup.com within 14 days of this advertisement.
