## DATABASE ADMINISTRATOR

For more than 36 years, we've helped millions of Sri Lankans lead more fulfilling lives. By taking care of their risks, we've given them the strength to dream big, and the peace of mind to follow those dreams. As we look ahead to the next 36 years, we're seeking the right individuals to lead us into a better, brighter future for us all.

### The Job

This position involves the administration, maintenance and optimisation of critical databases across multiple environments ensuring integrity, performance and security.

### The Ideal Candidate

- Bachelor's degree in Computer Science, Information Technology or related qualification from a recognised university
- Minimum of 3 years' experience as a Database Administrator or in a similar role
- Proficiency in DB2, MSSQL, MySQL, Sap Hana and PostgreSQL
- Experience with Linux, and Windows operating systems

- Strong understanding of database security practices
- Excellent problem-solving and troubleshooting skills
- Ability to work independently and as part of a team
- Preference will be given to candidates residing close to Colombo

### The Rewards

An attractive remuneration package awaits the right candidate.
