

Our client is a leading and reputed healthcare provider, with a mission to propagate a high standard healthcare service. To sustain its current growth, success and further enhance their progressive work culture, the company is in search of a dynamic and experienced healthcare visionary professional to lead excellence, innovation, and patient-centered care in our esteemed healthcare facility.

HEAD OF SURGICAL

Key Responsibilities:

- Provide strategic leadership and oversee operations of the Surgical Care Unit, ensuring optimal patient outcomes.
- Develop and implement protocols to enhance surgical efficiency, safety, and quality of care.
- Collaborate with multidisciplinary teams, fostering a culture of teamwork and continuous improvement.
- Manage budgets, resources, and staffing to maintain seamless unit operations.
- Ensure compliance with regulatory and accreditation standards.
- Drive innovations and advancements in surgical procedures and patient care methodologies.

Ideal candidate Profile:

- MBBS with a recognized postgraduate qualification in Surgery or Healthcare Management.
- A minimum of 10 years of experience in Surgical Care, with at least 7 years in a leadership role.
- Exceptional leadership, decision-making, and effective communication skills.
- Strong knowledge of patient care standards, regulatory requirements, hospital operations and administration.

Our client is an equal opportunity employer and invites applications from all suitability qualified individuals to join their team.

An attractive remuneration package, on par with qualifications and experience, will be offered to the selected candidate..
